

*BRUNSWICK COUNTY COMMUNITY COLLEGE
SUPPLY, NC*

John S. Clark Company, LLC was selected to build the 58,356 SF Athletic and Aquatic Center at Brunswick Community College in Supply, NC.

The new facility provides a venue for students to be part of the Intramural Program and other recreational activities on campus.

The components of the center include a 1,200 seat competition basketball gymnasium, a 150 meter indoor track, an eight lane 25 meter competition swimming pool, a 1,500 SF therapy pool and administrative and support facilities. The \$11.2 million project was finished on schedule, taking 16 months to complete.
