

*MARKET PLACE OFFICE BUILDING
WILMINGTON, NC*

Market Place is a two story 30,000 SF building constructed for Market Place Group, LLC. The building is a shell to allow for multiple tenant upfits. This project is a design build project for John S. Clark Company, LLC. John S. Clark employed Cline Design and Norris Kuske Tunstall to provide architectural and civil engineering services for this project to ensure owner needs and expectations were met.
